YoozPay

Drive Lean Financial Operations™ with payment automation.

Get ready to:

- Streamline payment processing
- Shorten payment cycles
- Reduce fraud and compliance risk
- Improve vendor relationships
- Shift resources to more strategic work
- Turn AP into a profit center

YoozPay makes every payment drive measurable results.

Risks	YoozPay
↓ Limited visibility	↑ Gain real-time visibility across the entire payment process
↓ Change fatigue	↑ Reduce manual work and repetitive tasks
↓ Cost concerns	↑ Cash back via virtual cards
↓ Vendor pushback	↑ Strengthen relationships with easy onboarding and flexible payments
↓ Security and compliance	↑ Built-in fraud protection and compliance

Yooz delivers:

- **Payment-as-a-service:** Real-time vendor enrollment and inquiries
- **Flexible approval workflows:** Unlimited chains, pay individually or in batch
- **Multiple payment options:** Virtual Card, ACH, eCheck, Paper Check
- **Seamless ERP integration:** Automatic sync between Yooz and your ERP
- **Cost reduction:** Cut waste, errors, and processing costs

Smarter payments, stronger operations.

YoozPay
