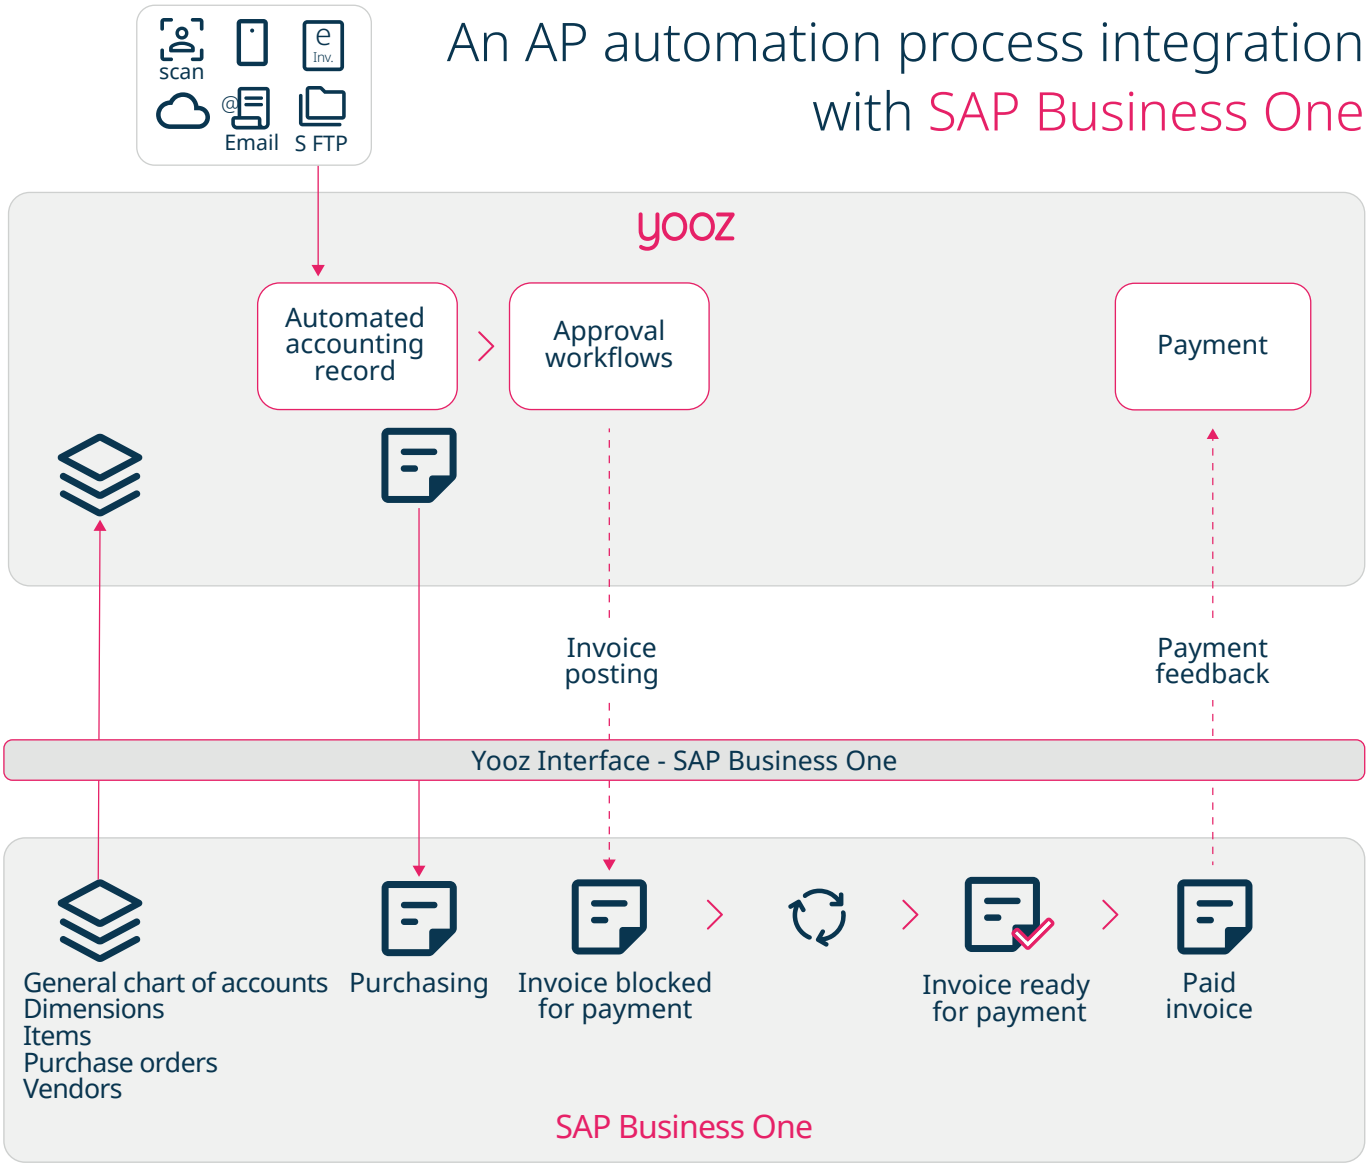
An AP automation process integration with SAP Business One



Yooz provides the smartest, most powerful and easiest-to-use cloud- based E-invoicing and Purchase-to-Pay (P2P) automation solution. It delivers unmatched savings, speed and security with affordable zero-risk subscriptions to more than 7,000 customers and 600,000 users worldwide.

Yooz's unique solution leverages Artificial Intelligence and RPA technologies to deliver an amazing level of automation with extreme simplicity, traceability and end-to-end customisable features. It simply integrates E-invoicing and AP Automation into information systems or ERPs with more than 250 native connectors, exceeding any other solution on the market.

Yooz is based in the US and Europe, with the UK Office located in London.
