

Lean Financial Operations™ for the most
ambitious companies on the planet.

Fuel Your Mission Smarter AP for Bigger Impact

Ready to Move From Paperwork to Progress?

Nonprofits operate under tight budgets and strict compliance, aiming to maximize the impact of every dollar. Manual invoice processing, however, consumes time, energy, and funds, taking staff away from core work. Yooz AI-powered AP automation streamlines workflows, letting your team focus where it counts.

Why Nonprofits Choose Yooz

- **Cut costs, not impact**

Slash processing costs by 80%+, freeing resources to invest in core programs.

- **Save time for what matters**

Automate capture, approvals, and payments, freeing your team to focus on mission-critical work.

- **Prevent fraud and protect funds**

Safeguard your budget with built-in controls and secure digital payments.

- **Increase transparency and accountability**

Gain real-time visibility and enforce controls to maintain donor trust and ensure compliance.

- **Automated compliance**

Stay audit-ready with tax updates, maintain detailed activity logs, and benefit from grant tracking tools.
