Don't take our word for it! See How Yooz and Microsoft Dynamics GP Transformed Falcon Holding's AP Process.

"Yooz was a game changer for our business. Our restaurants are located all over the U.S. and Yooz was instrumental in streamlining our approval process.

The invoice is easily tracked in the system from when it is uploaded, approved and processed in Microsoft Dynamics GP. The multiple level approval module is very flexible to customize by company, person specific approval level, vendor and dollar amount. The possibilities are endless.

Yooz has organized our AP process from beginning to end."
